9:30-11:00 am **Service Animals & the Law facilitated by Alyssa Riphon, Investigator/Conciliator from the**
(.1 CEU) **Madison Department of Civil Rights**

How do you differentiate between Service Animals and Emotional Support Animals? What questions can you ask an individual? How do you ask someone to remove an animal for a variety of reasons? Join us and learn about protections afforded to folks who have disabilities and utilize support animals. The trainer will facilitate an interactive dialogue with participants to learn the difference between emotional support and service animals, as well as how to determine whether an animal is a support animal through task analysis. Participants will learn best practices in opening the dialogue with the client about their support animal, and how to determine whether the animal should be granted access to a place of public accommodation.

11:00-11:15 am **Door Prizes/Break**
